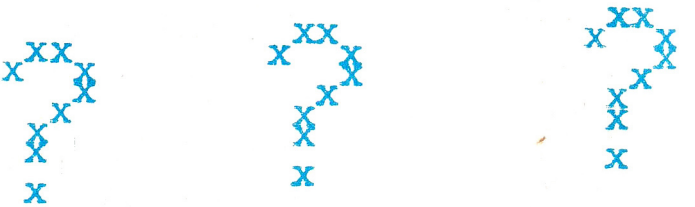
TYPEWRITER MYSTERY GAME

1



DIRECTIONS

For this design, insert the paper horizontally (the long way).

To solve the mystery, insert paper in typewriter, space down 10 single spaces from the top, set side margins for a 93-space line and begin typing, line by line. Symbols: "19sp" means strike space bar 19 times; "5:" means strike the colon (:) 5 times; etc. Keep shift lock depressed throughout entire typing.

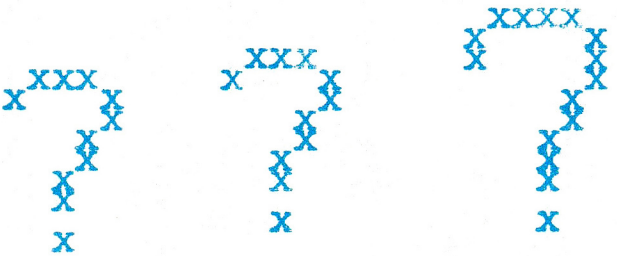
TYPEWRITER MYSTERY GAME 8



DIRECTIONS

To solve the mystery, insert paper in typewriter, space down 10 single spaces from the top, set side margins for a 71-space line and begin typing, line by line. Symbols: "71:" means strike colon (:) 71 times; "3X" means strike the (X) 3 times; etc. Keep shift lock depressed throughout entire typing.

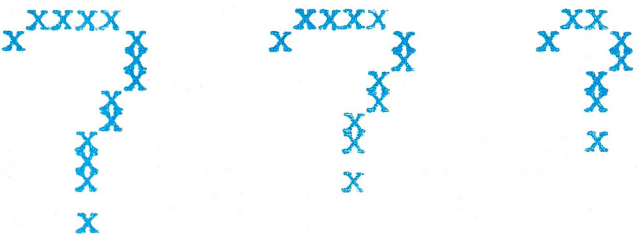
TYPEWRITER MYSTERY GAME 11



DIRECTIONS

To solve the mystery, insert paper in typewriter, space down 3 single spaces from the top, set side margins for a 78-space line and begin typing, line by line. Symbols: "20sp" means strike space bar 20 times; "3$" means strike dollar sign ($) 3 times; etc. Keep shift lock depressed throughout the entire typing. (For this particular design, 8-1/2 x 13 paper is preferred. If you use this size paper, space down 9 spaces from the top.)

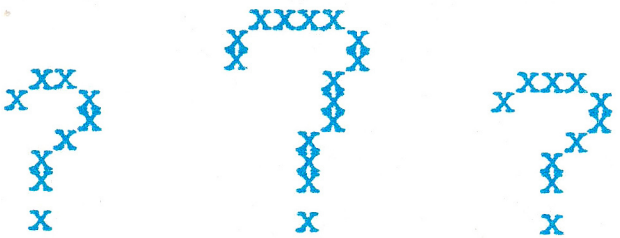
TYPEWRITER MYSTERY GAME 12



DIRECTIONS

For this design, insert the paper horizontally (the long way).

To solve the mystery, insert paper in typewriter, space down 2 single spaces from the top, set side margins for a 96-space line and begin typing, line by line. Symbols: "42sp" means strike space bar 42 times; "4:" means strike the colon (:) 4 times; etc. Keep shift lock depressed throughout entire typing. (For this particular design, 9 x 12 paper is preferred. If you use this size paper, space down 4 spaces from the top.
